ABOUT THE CAMP

Junior High

Vineyard Camps 2008--The Race, is for those aged 12 through 14 who are interested in discovering praise music and prayer as a transformation to serve others and God. The prayer tools learned at this camp can be relied upon throughout your life. Each camper will share in an open setting how to pray for others and how to praise God through music. Meaningful outcome of this camp for each camper is determined by his or her willingness to share. All of the activities of the camp are hands-on learning experiences. The campers will be encouraged to allow a transformation to occur in their lives. This camp is not for the casual, apathetic or indifferent Christian. Be prepared to surrender your heart to God as we learn to respond to the leadings of the Holy Ghost.

If your heart's desire is:

- **To know God and His purpose more fully**
- **To learn more about the purpose of the Church**
- **To embark on a truly life changing quest**

This camping experience may be right for you.

Each day will be a building block in our journey through Spiritual transformation so that we may reflect God's love and God's purposes through our work towards the Kingdom. Those attending this week should be willing to share with each other in acts of kindness and service. Each day will be dedicated to study, prayer, discussion and opportunities to become vulnerable. At the end of the week, the camp should have moved the camper from a role as passive observer to one of active participant.

WARNING: If you suffer from cynicism, please consult your heart before you apply. This camp contains spiritually convincing materials, which may change your life. Rated: G-zus-Lvs
